Dear Patients,

I am announcing that I have decided to resign from my position as GP Partner at Towcester Medical Centre. This has been a difficult decision to make, and one that has been a preoccupation for me for some time.

I want to thank Dr Nicola Odwell and the other Partners for their friendship and support over the last 15 years. Without them, my decision to resign would have occurred earlier than it has, and I will truly miss working alongside them. They have done so much to keep me going.

I must also make clear my appreciation to all the staff at Towcester Medical Centre. The continued professionalism of the Salaried GPs, Nurses, Management Team, and Administrative/Reception Teams during what have been increasingly turbulent times in General Practice is to be admired. Whatever I end up doing, I will be hard pushed to find such a fantastic group of people to work with. I wish Towcester Medical Centre all the very best for the future.

Thank you and 'Diolch'

Dr Gareth Griffiths
